Ycon

Freedom breaks all design rules, bringing the minibar out of its hiding place and transforming it into a piece of furniture that disregards gravity and finds its place under the spotlight.

Soaring into the sky. Ycon is the suspended minibar with a vertical structure for wall or recessed installation. A composition that optimises the interior space since it doesn't rest on the floor and gets smaller exploiting the Y axis. Ycon comes in two versions: glass door with the opening on the right-hand or left-hand side.

Technical features

| | | | |
|-----------------------------------|---------------|-------------------------|-----------------------|
| Product class | 25 | Consumption (kWh/24h) | 0,207 |
| Input voltage (V - Hz) | 230 V - 50 Hz | Power absorption (W) | 40 |
| Sound emission (db) | 33 | Dimensions (HxWxD) (mm) | 796x395x240 |
| Packaging dimensions (HxWxD) (mm) | 875x455x315 | Net weight (kg) | 26 |
| Net volume (L) | 18 | Energy efficiency class | E |
| Cooling technology | Compressor | Refrigerant gas | R600a |
| Installation type | Wall mounted | Door type | Reversible glass door |
| Colour | Bronze | Certifications | CE |
